"Building Leaders for Christ"

Dear Parents,

St. Pius X School offers individual and family counseling to meet the needs of our children and parents.

Carmen C. Lewenthal, M.A. staffs the counseling program with assistance from Graduate Level Counseling Interns. Mrs. Lewenthal is a Licensed Professional Counselor-Supervisor, a Licensed Marriage & Family Therapist, a National Board Certified Counselor, a Certified Child Psychotherapist and a Registered Play Therapist.

In addition to individual and family needs, Mrs. Lewenthal and the counseling interns work with groups of students and with teachers as part of our Guidance Curriculum to build up skills, concepts and abilities in self-knowledge and interpersonal relationships. This is a free support service offered to the children and families of St. Pius X on a strictly voluntary basis.

If you would like this program to be available to your child/children, please fill out the permission slip below and return it to the school office as soon as possible. If you wish to speak with Mrs. Lewenthal please call the school office and she will return your call at the earliest possible time.
